### Gardens by the Bay X The Capitol Kempinski Singapore mooncakes

After a sweet debut last year, Gardens by the Bay and The Capitol Kempinski Singapore's mini mooncakes are back! The 2024 edition comes in four flavours: White Lotus Seed Paste with Egg Yolk, Black Sesame Paste with Egg Yolk, Red Bean Osmanthus with Mixed Nuts, and Lava Custard. These mini mooncakes are beautifully presented in a gift box with a brand-new design – garden-inspired and in a pretty turquoise hue. The double-tier box can be repurposed to hold jewellery too. Each box contains eight mini mooncakes, with two pieces of each flavour, and costs \$96.

For a limited time only, enjoy a discount of 30 per cent off the retail price for mooncakes purchased from Gardens by the Bay's Eshop.
